

Center	Title	Technology
AARC	Hybrid maize Variety verification trial	CC
AARC	Bread Wheat Variety Verification Trial	CC
AARC	Potato variety verification trial for processing purpose	CC
AARC	Potato variety verification trial for bio fortification	CC
AARC	Potato variety verification trial for table purpose	CC
AARC	Maintenance earth worms and production of vermicompost in the Amhara Region	NRM/SW
AARC	Maize parental line maintenance and breeder seed multiplication both under rain fed and irrigation	CC
AARC	Bread wheat breeder seed multiplication both under rain fed and irrigation	CC
AARC	Tef breeder seed multiplication both under rain fed and irrigation	CC
AARC	Early generation seed multiplication of improved varieties of cereal and pulse	CC
AARC	Technology multiplication, observational, and maintenance activities/Nucleus	CC
AARC	Demonstration of fruit based agroforestry on North Achefer (Ligudy)	NRM
AARC	Giant bamboo demonstration for irrigation dams	NRM
AARC	Pre-scaling up of irrigation teff technologies	CC
AARC	Scaling up of <i>Acacia decurrens</i> based Taungya agroforestry system through F	NRM
AARC	Tef Variety Verification Trial	CC
AARC	Determining the Attainable Yield of Wheat under Rain Fed Conditions at Ade	CC
AARC	Detection and Classification of Major Maize Disease through Convolutional N	PP
AARC	Evaluation of Priming Techniques for Enhancement on Seed Yield and Quality attributes of Maize Inbred Line varieties in Northwest Amhara	seed
AARC	Evaluation of the Effect of Potting Media on Four Different Tree Species' Seed Germination and Early Seedling Growth in Northern Ethiopia	NRM
AARC	Evaluation of Growth Performance and Adaptation Potential in <i>Cordia africana</i> Provenances	NRM
AARC	Evaluating effect of propagation techniques and pre-sowing treatments on germination rate of <i>Myrica salicifolia</i> and <i>Teclea nobilis</i> in Northwest Ethiopia	NRM
AARC	Technology multiplication (tree nursery production)	NRM
AARC	Pre-scaling up of acid tolerant Bread wheat technologies in western Amhara Region	SEERD
AARC	Engaging Adet Agricultural Research Center Adjacent Farmers in the Demonstration and Scaling of Agricultural Technologies	SEERD
AARC	Demonstration of model vermin- compost preparation and vermin- culture in Yilmana Densa district, Amhara Region	SEERD
AARC	Pre- scaling up of acidic soil management (lime technologies) on bread wheat production in acidic soil areas of western Amhara Region	SEERD
AARC	Evaluation of Bio.SoilZ and Bio.PlantZ in improving yield of major cereal crops in the Amhara Region, Ethiopia	NRM
ALRC	Effects of silage additives on nutritional and fermentation quality, and aerobic	LS
ALRC	Evaluating the effect of roughage and protein source feeds on growth perform	LS

ALRC	The Effect of seed and urea fertilizer rate on seed yield and quality of oat (Avena sativa)	LS
ALRC	The Effect of Vermicompost on Rhodes (Chloris gayana L. Kunth.) Seed Yield	NRM
ALRC	Introduction and promotion of calf milk replacer in Bahir Dar city	SEERD
ALRC	Multiplication and dissemination of dairy cattle	LS
ALRC	Micro seed increase and maintenance of promising forage species at ALRC	LS
ALRC	Different forage seed multiplication & distribution	LS
ALRC	Multiplication and maintenance of improved poultry at ALRC poultry Research Center	LS
ALRC	Demonstration of improved housing and dairy husbandry techniques	LS
ALRC	Demonstration of different adapted improved forage varieties for the highland	LS
ALRC	Promotion of improved dairy cattle technologies in Amhara Region	LS
ALRC	Evaluation of transferred maternal anti body and determine optimal date of vaccination of Infectious Bursal Disease in Andassa Livestock Research Center poultry farm	LS
ALRC	Effect of Deficit Irrigation and its Interval on Forage yield, Growth and Chemical Composition of Napier and Desho Grass Species at Andassa livestock research center	LS
ALRC	Evaluation of different spacing of Becium Grandiflorum “Mentesie” honeybee forage, in the selected district of western Amhara	LS
ALRC	Suitability Mapping for Major Improved Forage Species in Amhara Region	LS
ALRC	The Effect of Sowing Date on Seed Yield and Quality of Various Vetch Species under Irrigation	LS
ALRC	Participatory evaluation and demonstration of small-scale chicken cage models for urban poultry production systems in Bahir Dar City, Amhara Region, Ethiopia	SEERD
ARARI	Physicochemical analysis of different potato varieties	FS
ARARI	Evaluation of orange flesh sweet potato, wheat and sweet lupine composite flour	FS
ARARI	Development and performance evaluation of low-cost solar dryer	FS
ARARI	Household dietary diversity and associated factors among urban households in Bahir Dar	FS
ARARI	Determination of adulterant in milk from Bahir Dar city	FS
ARARI	Development and optimization of In vitro protocol of selected Avocado (Persea americana)	Biotechnology
ARARI	Development and optimization of In vitro protocol of selected elite coffee (Coffea arabica)	Biotechnology
ARARI	Characterization and marker-assisted selection of potato (Solanum tuberosum)	Biotechnology
ARARI	Are agro-clusters climate-smart and nutrition-sensitive? Evidence from the Amhara Region	SEERD
ARARI	Land Suitability Analysis of Northwest Ethiopia for Coffee Production	NRM
ARARI	Starting black soldier fly (BSF) farming research activity	LS
ARARI	Demonstration of enhancing the shelf life of Injera by Layer reheating in Mekele	FS
ARARI	Evaluation of nutritional and consumer acceptability of complementary meal based on injera	FS
ARARI	Determination of optimum harvesting date for selected sesame varieties	FS
ARARI	Development and evaluation of bio-based packaging from agricultural side streams	FS
ARARI	Evaluation of adsorbents for purification of used oil by street potato fryers in Mekele	FS

ARARI	Development and evaluation of commercial Chili Sauce	FS
ARARI	Formulation and nutritional evaluation of rice milk enriched with orange flesh	FS
ARARI	Demonstration of high caloric drink production and consumption from sugarcane	FS
BFLARC	Demonstration of Nile Tilapia mono sex culture system with recommended sex ratio	SEERD
BFLARC	Demonstration of polyculture system on the growth performance of Nile tilapia	SEERD
BFLARC	Demonstration of fresh Azola supplement feed on Nile Tilapia in Blue Nile basin	NRM
BFLARC	Fingerling multiplication and distribution	LS
BFLARC	Evaluation of Floating Raft based Aquaponics system on Fish Farming ponds	LS
BFLARC	Demonstration of Aquaponics system	LS
BFLARC	Evaluate the growth performance of Nile tilapia in recirculating tank culture system	LS
BFLARC	Effects of stocking density on the growth performance and production of male Nile tilapia	LS
BFLARC	The egg production and hatching rate of Nile tilapia (<i>Oreochromis niloticus</i>) at different size and age	LS
BFLARC	Evaluating the Efficacy of Papaya (<i>Carica papaya</i>) Seed Meal as a Natural Sex Reversal Agent and Growth Enhancer in Nile Tilapia (<i>Oreochromis niloticus</i>)	LS
BFLARC	Evaluating the efficiency of <i>M.Oleifera</i> seed meal as natural sex reversal agent and growth enhancer in Nile tilapia (<i>Oreochromis Niloticus</i>)	LS
BFLARC	The Effect of Pawpaw and Moringa Seed Meal on Gonad Development and Function of Sexually mature Nile Tilapia (<i>O.niloticus</i>)	LS
BFLARC	Evaluate the effect of partial substituting soya bean meal with fermented Azolla (<i>A. filiculoids</i>) in feeding Nile tilapia (<i>O. Niloticus</i>)	LS
BFLARC	Analysis the nutrient composition of aquaculture waste and its potential as a fertilizer for enhancing vegetable growth	LS
BFLARC	Water quality monitoring of fish hatchery ponds at Bahir Dar Fishery research station	LS
DBARC	Coffee (Coffee arabica L.) Participatory Variety Adaptation Trial	CC
DBARC	Improved forage seed maintenance and large scale forage seed multiplication	LS
DBARC	Multiplication of tree seedling (Baiqilo nuresery establilhsment and seedling production)	NRM
DBARC	Maintenance of best performing earth worm species at shade condition	NRM/SW
DBARC	Maintenance and production of adaptable green manure species	NRM/SW
DBARC	Effect of deficit irrigation on Garlic yield and water productivity under drip irrigation	NRM
DBARC	Breeder and nucleus seed multiplication of bread wheat at Enwary	CC
DBARC	Pre basic seed multiplication of bread wheat (<i>Triticumastiveum</i> L.)	CC
DBARC	Pre basic seed production of tef (<i>Eragrostiste f</i> (Zucc.) Trotter) at Enewary and Enwary	CC
DBARC	Bread wheat breeder seed multiplication and maintenance	CC
DBARC	On-station establishment of experimental animals and facility at DBARC	LS
DBARC	Multiplication, maintenance and demonstration of adapted lowland bamboo species	NRM
DBARC	Multiplication of quality seed potato under screen house	CC
DBARC	Participatory Development of Optimal Village Crossbreeding Scheme for Dairy	LS

DBARC	Bread wheat national performance trail	CC
DBARC	Response of Potato variety for Nitrogen and phosphorus fertilizer and its use efficiency in the high land of North Shewa, Ethiopia	CC
DBARC	Implementation of Effective Synchronization Protocols to Improve Fertility of Dairy Cows in Debre Birhan-Addis Ababa Milk Shed	LS
DBARC	On-farm evaluation of the effect of dry period supplementation on performance of dairy cows	LS
DBARC	Introduction and Promotion of Horticulture Crop Technology for Urban Agriculture in Debre Birhan Town	SEERD
DBARC	Empowering Women at Home: Promoting Backyard Poultry Production System in Urban Areas in Debre Birhan	SEERD
DBARC	Breeder seed maintenance of selected improved teff varieties in Amhara region, North Shewa	CC
DBARC	Identifying factors influencing the industrial quality of bread wheat in the highlands of Ethiopia	CC
DBARC	Evaluation of Bio.SoilZ and Bio.PlantZ in improving yield of major cereal crops in the Amhara Region, Ethiopia	NRM
GARC	Desi types chickpea Variety verification trial for the high potential of Amhara	CC
GARC	Multi location performance evaluation of released sesame varieties under rain	CC
GARC	Multiplication and maintenance of promising forage seeds at different agro- ec	LS
GARC	Effects of different forms of sweet lupin on feed intake, body weight changes	LS
GARC	Epidemiological and management option of ovine foot rot in North-Western Eth	LS
GARC	Pre-demonstration of Sesame varieties	CC
GARC	Influence of Packaging Materials and Storage Periods on Seed Quality and Lo	Seed
GARC	Assessment and identification of avocado pest at Gondar district	CC
GARC	Performance evaluation of coffee varieties at Central Gondar	CC
GARC	Multiplication and maintenance of G3 and G4 Potato tuber seed under field conditio	CC
GARC	Gumuz sheep multiplication	LS
GARC	Demonstrating multipurpose A. deccurens and E. viminalis woodlots in the hi	NRM
GARC	Evaluation of Bio.SoilZ and Bio.PlantZ in improving yield of major cereal crops in Amhara Region, Ethiopia	NRM
GARC	Pre-scaling up of improved chickpea technology in midlands of central Gondar	CC
GARC	Scaling out of community based breed improvement program for Central High	LS
GARC	Evaluation of non-shattering and shattering sesame varieties in West Gondar	CC
GARC	Potato (<i>Solanum tuberosum</i> L) Participatory Variety Selection (PVS)	CC
GARC	Effect of Different Nitrogen Levels and Plant Population on Yield and Yield Components of Maize (<i>Zea Mays</i> L.) in Metema and Gondar Zuria districts of Amhara Region under Irrigation	CC

GARC	Determination of appropriate sowing date and split application of nitrogen fertilizer for optimum yield and oil quality of sesame in the lowlands north Gondar under irrigation condition	CC
GARC	Maintenance and multiplication Wheat breeder seed	CC
GARC	Maintenance and multiplication Tef breeder seed	CC
GARC	Maintenance and multiplication Maize breeder seed	CC
GARC	Maintenance and multiplication Chickpea Breeder seed	CC
GARC	Maintenance and multiplication Sesame EGS and Breeder seed	CC
GARC	Maintenance and multiplication Soyabean EGS and Breeder seed	CC
GARC	Maintenance and multiplication Sunflower EGS and breeder seed	CC
GARC	Maintenance and multiplication of TC dried tuber under screenhouse and on	CC
GARC	Demonstration of Herbaceous Legume Intercropping Effects in Improving the Napier Grass and Overall Dry Matter Yield and Nutritive Value of the Feedstuffs at Enfranz, Central Gondar Zone, Ethiopia	LS
GARC	Seroprevalence and associated risk factors of bovine viral diarrhea in smallholder dairy cattle in North-West Ethiopia	LS
GARC	Impact of biosecurity measures interventions on the morbidity and mortality of chicks in smallholder poultry farms in Gondar City, Ethiopia	LS
GARC	Nursery characteristics of <i>Ximenia americana</i> ; for domestication in Gondar Zuria district	NRM
GARC	Evaluations Of Different Seed Coating Materials on Seed Physiological Quality, field emergency, and Yield of Soybean (<i>Glycine Max</i> (L.) Merr.)	SEED
GARC	Assessment of Soya bean Seed Production System and Seed Quality Parameters Collected from Different Sources	SEED
GARC	Pre-extension demonstration of white chickpea varieties at the midland of Central Gondar zone	SEERD
SARC	Monitoring of commercially important fisheries and Physico-chemical aspects	LS
SARC	Maintenance of different promising annual and perennial forage grasses and le	LS
SARC	Effect of lablab seed on growth of broiler meat in Sirinka	LS
SARC	Participatory Evaluation and Demonstration of Growth Performance of Male S	LS
SARC	Establishing and evaluating dairy cattle cross breeding package of indigenous	LS
SARC	Adaptation and Yield Performances of Oat (<i>Avena sativa</i>) New Released Vari	LS
SARC	Seedling Multiplication, maintenance and demonstration of adapted giant bam	NRM/SW
SARC	Effect of mulching and deficit irrigation on maize yield and soil property in Eastern Amhara, Ethiopia	NRM/SW
SARC	Characterization of potential sediment zones and evaluation of integrated water	NRM/SW
SARC	Geospatial modeling of erosion and flood hazards with changing climate and l	NRM
SARC	Investigation of spatial-temporal variation for groundwater sustainability at Ra	NRM
SARC	Establishment of nutrient-dense vegetables through vertical agriculture produc	CC
SARC	Establishment and multiplication of Avocado varieties at Eastern Amhara	CC
SARC	Tissue culture derived Breeder seed mini tubers production of selected potato	CC

SARC	Bread Wheat NPT for Grain Yield and Yield-Related Traits under Moisture-deficit Environments	CC
SARC	Bread Wheat NPT (biofortified) for Grain Yield and Yield-Related Traits under Vertisol Environments	CC
SARC	Effect of Different Rates of Nitrogen and Phosphorus on Growth and Yield of Potato (<i>Solanum tuberosum</i> L.)	CC
SARC	Evaluation of Potato Tuber Moth (<i>Phthorimaea operculella</i> , Z.) Management options on Potato Production in Eastern Amhara, Ethiopia	CC
SARC	On farm demonstration of Push-pull technology: a regenerative agriculture approach for integrated management of insect pests, weeds and soil health in the drylands of east Amhara, Ethiopia	pp
SARC	Multiplication and Maintenance of pre-basic seed potato using conventional method	CC
SARC	Multiplication and Maintenance of Tropical and Sub-Tropical Fruits	CC
SARC	Maintenance and Multiplication of Temperate Fruit Crops Varieties in The Amhara Region	CC
SARC	Participatory Evaluation of improved shallot varieties under irrigation in Eastern Amhara, Ethiopia	CC
SARC	Traditional knowledge and Practices on Livestock ticks' treatment and Experi	LS
SARC	Evaluation of Bio.SoilZ and Bio.PlantZ in improving yield of major cereal crops in Wag-himra zone Amhara Region, Ethiopia	NRM
SARC	Early generation seed multiplication and maintenance of Tef varieties	CC
SARC	Early generation seed multiplication and maintenance of Maize varieties	CC
SARC	Early generation seed multiplication and maintenance of bread wheat and durum	CC
SARC	Early generation seed multiplication and maintenance of common bean varieties	CC
SARC	Early generation seed multiplication and maintenance of soybean varieties	CC
SARC	Early generation seed multiplication and maintenance of cowpea varieties	CC
SARC	Early generation seed multiplication and maintenance of lablab varieties	CC
SARC	Early generation seed multiplication and maintenance of Bread wheat varieties	CC
SDARC	Evaluation of Commercial Cultivars of Avocado (<i>Persea Americana</i> miller) at	CC
SDARC	Introduction of adaptive and productive improved forage species for goat milk	LS
SDARC	Durum wheat variety verification trial	CC
SDARC	Establishment of honeybee colony multiplication center (HMC) in response to	LS
SDARC	Demonstration of least-cost milk processing technologies for small-scale prod	LS
SDARC	Pre-scaling up of Tef technology in moisture deficit areas of Wag-lasta	CC
SDARC	Pre -Scaling up of hybrid Maize Technology under irrigation at Wag-Lasta are	CC
SDARC	Establishment of model beekeeping village for improved beekeeping technolo	LS
SDARC	Adaptation of earthworm species for vermicompost production potential in Wag-himera Northern, Ethiopia	NRM

SDARC	Adaptation and demonstration of <i>Acacia decurrens</i> based Taungya agroforestry system through farmers' field school in the highland of Eastern Amhara	NRM
SDARC	Determining the optimum economic feasible rate of NP nutrient for bread wheat production in the highland area of Wag-himra zone, northern Ethiopia	NRM
SDARC	Evaluation of Bio.SoilZ and Bio.PlantZ in improving yield of major cereal crops in Wag-himra zone Amhara Region, Ethiopia	NRM
SDARC	Determining the optimum economic feasible rate of NP nutrient for tef production in the highland area of Wag-himra zone, northern Ethiopia	NRM
SDARC	Evaluating Nitrogen and Phosphorus Fertilizer Rates for Sesame (<i>Sesamum indicum</i> L.) Production in the Wag-himra zone, Ethiopia	NRM
SDARC	Evaluate the effect supplementary irrigation on yield and water productivity of	NRM
SDARC	Evaluation of Locally Processed Fish Meal in Diets of Bovans Brown Chicken in Wag-Himra Zone, Ethiopia	LS
SDARC	Participatory Tef (<i>Eragrostis tef</i> (Zucc.)) Variety Selection trial in the mid-land areas of Wag-Lasta, Eastern Amhara, Ethiopia	CC
SDARC	Participatory Performance Evaluation of Improved Bread wheat (<i>Triticum aestivum</i> L.) Varieties in Wag-Lasta, Eastern Amhara, Ethiopia	CC
SDARC	Evaluation and demonstration of year-round production and consumption of home garden vegetables in Sekota town	CC
SDARC	Effect of Planting Date and Variety for Seed Production of Onion in Wag-Himra Zone, Eastern Amhara, Ethiopia	CC
SDARC	Participatory Technology Evaluation of Bio-fortified (OPV) Maize Varieties in Waghimra Zone, North-eastern Ethiopia	SEERD
SDARC	Breeder seed maintenance and multiplication Bread wheat in Wag-lasta areas	CC
SDARC	Breeder seed maintenance and multiplication recommended Maize varieties in	CC
SDARC	Breeder seed maintenance and multiplication recommended Sesame varieties	CC
SDARC	Pre-basic and basic seed maintenance and multiplication of Bread wheat	CC
SDARC	Basic seed maintenance and multiplication of haricot bean	CC
SDARC	Basic seed maintenance and multiplication of Teff	CC
SDARC	Pre-basic and basic seed maintenance and multiplication of Maize varieties	CC
SDARC	Maintenance and multiplication of different promising forestry seedlings in W	NRM
SDARC	Basic and pre-basic forage seed maintenance for recommended forage varieties	LS
Woramit	Multiplication and Maintenance of Tropical and Sub-Tropical Fruits	CC
Woramit	Multiplication & maintenance of Alliums crops	CC
Woramit	Observation & maintenance of introduced avocado rootstocks	CC
Woramit	Multiplication & maintenance of coffee varieties	CC
Woramit	Introduction and Demonstration of New High Value Vegetable Crops in Bahir	CC
Woramit	Introduction and demonstration of year-round production and consumption of	CC
Woramit	Introducing improved coffee varieties and piloting of existing tree management	CC

Woramit	Assessment of the occurrence, distribution and damage level of economically	CC
Woramit	Demosntration of Coffee varieties through commodity specilization zone	
Woramit	Demosntration of Avocado varieties through commodity specilization zone	
Woramit	Avocado regional variety trial	CC
Woramit	Hybrid Coffee Clonal Garden Establishment	CC
Woramit	Evaluation of combined application of vermicompost and N Rate on growth a	CC
Woramit	Evaluation of an optimum potting media composition for vertical growing hor	CC
GARC-St	Evaluation of Water Footprint, Virtual Water Flow and Irrigation Management	NRM-SW
SARC-St	Optimizing Furrow Design Variables Under Wheat Irrigation Using Field Obs	NRM-SW
